

Here is your virtual 2022 United Way Pledge Drive packet. Linked below are various documents that will help you determine your pledge amount for next year. You'll find a list of United Way agencies, details on six drawings (including days off and restaurant gift cards), and information that is, of course, designed to give you good reason to participate (which is so easy when you're talking about [our United Way organization](#)).

To pledge, go to <https://unitedwaylee.org/lcec-campaign/> and use password **LCEC2021**.

You will find several options there to make your donation, including a one-time donation via PayPal.

Click this circle on the pledge form, and we'll get back to you on how you can sign up for the very convenient option of a yearly recurring donation. It just doesn't get any easier to pledge from year to year.

Tell me more about a yearly recurring pledge.

Need to know more?

This could be yours!

If you'd like more information on pledging or on the overall campaign, please feel free to contact [Julie Vaughn](#), Pledge Drive Coordinator, or [Ed Nagy](#), LCEC 2022 United Way Campaign Chair.
